

COMMITMENT TO PARTICIPATE IN THE WELCOMING CITIES NETWORK*Local Councils***“Welcoming is not just the right thing to do, it’s the smart thing to do.”**

We recognise that cities and municipalities that proactively foster an environment of belonging and participation for receiving communities, as well as new and emerging communities, increase their social cohesion and economic capability and resilience.

We therefore resolve to participate as a member for the Welcoming Cities Network and commit to taking the following steps toward creating an environment that unlocks the full potential of all members of the community.

- **Join and participate in a network of cities and communities** that are committed to becoming more welcoming and inclusive
- **Identify at least one key staff contact** for the project that will liaise directly with the Welcoming Cities team.
- **Communicate regularly with the Welcoming Cities team** through at least three conference calls each year and an annual in-person meeting, to progress planning and share and learn from practices of other welcoming cities and communities.

We understand that the Welcoming Cities network involved a number of key elements:

Knowledge sharing. Supporting local councils and communities to learn from each other and access resources, research, policies and case studies.

Partnership development. Brokering meaningful multi-sector partnerships that foster a sense of belonging and participation for all members of the community.

Celebrating success. Showcasing leading practice through case studies and a national award that encourages welcoming efforts.

Standard and Accreditation. Setting the National Standard for cultural diversity and inclusion policy and practice in Local Government.

Local councils participate as members of the Welcoming Cities network, while community organisations, businesses and other agencies are involved as supporters. Both members and supporters can access key elements of the network.

The intent and commitment to participate as a member of the Welcoming Cities network is made by the following parties:
